"It is not the position that honors the person, but rather the person that honors the position" -Taanit 21b

Being elected or appointed to the NFTY-NEL Board is an incredible opportunity. You will have a powerful influence in the lives of more than six hundred Reform Jewish teenagers. As a leader of NFTY-NEL, you will set the examples for fellow NFTYites through your involvement as well as your conduct. Not only do you represent the teens of our region, but you also represent the over 20 TYGs across our region, including the one from which you began your journey of leadership in NFTY. It is also important to remind you that each of the Board Members are responsible not only for their particular job description, but also to back one another up on their duties. We are a team at all times throughout your term. The following is expected of Regional Board members:

Role Model – Recognize that the members of NFTY-NEL look to you to set an example. Be aware of your behavior and attitude at all times, even when you are not actively leading. Lead by example. Never ask someone to do something that you would not do yourself. It is expected that you will uphold the NFTY-NEL B'rit Kehilah – which includes the NFTY Code of Conduct – at all times. It is the expectation of NFTY-NEL that the Regional Board will serve as role models for all the members of our region. As a NFTY-NEL Board Member, you will be held to a higher standard.

Approachability – Board Members need to be approachable at all times. NFTYites should know how to reach you. At events, it is easy to spend your "free" time with all of your friends, however it is important to remember that you now represent all of NFTY- NEL and everyone should have access to you. There are always new people to meet and talk to.

Attendance – As a role model, you should be attending all NFTY-NEL and NFTY events. School will always be your first priority, but you should know up front about the travel requirements. Please closely review the enclosed list of 2019-2020 events, so that you may be familiar with your travel requirements. Please know that when you apply for a position on the NFTY-NEL Regional Board, you are making a commitment to **make NFTY-NEL your primary extracurricular activity.**

Communication – It is expected that you will maintain an open line of communication with your fellow board members, the Regional Director, your TYG network, and the TYG Advisors of the region.

Because of your personal leadership skills and strong commitment to Reform Judaism, you are taking a large step towards being a leader of your peers in NEL. This wonderful experience comes with a tremendous amount of responsibility. In addition to the above requirements, it is expected that the specific constitutional job requirements pertaining to your position will be maintained throughout your term in office should you be elected/appointed.

I am fully aware of the expectations placed upon NFTY-NEL Regional Board members and commit to the terms of this Brit if elected or appointed to the 2019-2020 NFTY-NEL Regional Board. I understand that if I cannot fulfill the terms of this Brit, I will have to forfeit my Regional Board position.

2019-2020 NFTY Northeast Lakes Regional Board Guidelines for Writing Letters of Intent and Speeches for Elected Positions

In order to raise the bar on leadership potential in our region, our Constitution requires that all candidates for the Regional Executive (elected positions) submit a Letter of Intent to inform the region of their plans for the upcoming year, should they be elected. Furthermore, all candidates for the Regional Executive will present a speech at Spring Boards.

The following are some basic guidelines for writing Letters of Intent:

Letters of Intent should be no longer than one side of one page for those running for PVP, SAVP, RCVP, MVP, and CVP. Letters of Intent for candidates for President should be no longer than two sides of one page. We often use the what, how, why formula when creating our ideas in NFTY. We suggest referring to the TED Talk - *How Great Leaders Inspire Action*, by Simon Sinek to better understand the following. Your Letter of Intent should include a basic summary of **what** you intend to do in the upcoming year, **why** it is important, and a small portion of **how** you will do it. Many also include a small portion about themselves, including their experiences and qualifications. In essence, you are submitting a condensed version of your platform. Your speech and Meet the Candidates, at Spring Boards, is when you will go into very specific details of **how** you will implement your platform. The Letters of Intent will be submitted to the entire region after they are received by the President and Regional Director, but prior to Spring Boards, so if there is any information you would like kept confidential until your speech, do not include it in your letter.

All Letters of Intent for regional executive office should be turned in, with your intent packet emailed to Madi Weinmann at nel-president@nfty.org so they can be posted on the NFTY-NEL website for the region to read. **You will also need to send in a headshot of yourself, bio, and answer to the Regional Board question when you send in your Letter of Intent.** Everything that is typed (Letter of Intent, bio, and answer to the Regional Board question) must be in Open Sans, 12 point font, with any spacing or margins you prefer.

While your Letter of Intent should not be vague in any way, it does also not have to be extremely specific; you are merely submitting a summary of your platform. Keep in mind that you will be presenting a speech on Friday in addition to the Meet the Candidates session on Saturday at Spring Boards. You will have the opportunity to elaborate on your platform (your **how**) in your speech and during forums at the event. **Candidates for Regional President will have 5 minutes and candidates for other positions will have 4 minutes for speeches.** Meet the Candidates will take place after speeches. Lastly, candidates will also often create a Platform Paper to hand out during Meet the Candidates. In essence, this is the condensed version of your Letter of Intent and Speech.

Please feel free to contact Madi Weinmann or Josh Nezon with any with any questions.

Madi Weinmann | NFTY-NEL President - nel-president@nfty.org

Josh Nezon | Regional Director of Youth Engagement, Northeast Lakes - jnezon@urj.org

2019-2020 NFTY Northeast Lakes Regional Board Regional Board Question and Bio Guide

In addition to a Letter of Intent, all candidates this year are required to answer the following question:

"How would you define a leader?"

Your answer will be posted on the NFTY-NEL website, so please make sure your answer is no longer than 100 words. Please submit this in a document separate from your bio and your Letter of Intent.

Bio Guide:

All candidates will also be required to submit a brief bio, so NEL can learn a little more about you! This will be posted on the NEL website, so please make sure it is in the third person, and no longer than 75 words. Please submit this in a document separate from your answer to the Regional Board Question and your Letter of Intent.

Here are some encouraged ideas to include (but are not required):

- name, grade, hometown, TYG
- any positions held in TYG, Regional Cabinet, or otherwise
- any extracurriculars or programs that may stand out
- what you like to do outside of NFTY

Campaigning Rules

Campaigning will in no way, shape, or form be allowed. That means, if you are discussing your candidacy with people with the intention of swaying or confirming votes, you have violated the campaigning rule, and your candidacy can be disqualified. If you are unsure if you may do something, it is better to check with Madi Weinmann or Josh Nezon than to be sorry later.

Some of the Things a Candidate Cannot Do (At Risk of Disqualification)

- Intentionally use social media for campaigning purposes, including but not limited to posting new ideas, projects, or programs on Facebook, trying to build coalitions using Twitter or other social networks, with the intent to build interest around your candidacy.
- Share/practice your platform, including but not limited to with your TYG. To specify - your platform paper, speech, or ideas with NEL members, including, but not limited to, a practice Meet the Candidates session.
- Distribute material to any NFTYite that discusses the voting procedure in attempt to sway/affect that person's vote
- Distribute or share inappropriate or negative material about any candidates
- Contacting – including by means of telephone, e-mail, text messaging, IM, etc. – NFTYites (including other candidates) to initiate conversation about the election and its process. This also includes but is not limited to, asking a friend to spread your candidacy, or others candidacies, on your behalf.
- Distribute material outside of the event during which elections are held (e.g., e-mail delegates, post material pertaining to the election on listservs, blogs, social networking sites, snail mail material, etc.)

Please, remember that this is a Jewish process, and treat it with the highest level of respect.
